

BOB DYLAN	Yes, and how many times must the cannon balls fly	Before they're allowed to be free?	QUOTES
	Before they're forever banned?	Yes, and how many times can a man turn his head	Yesterday's just a memory,
BLOWIN' IN THE WIND	The answer, my friend, is blowin' in the wind	And pretend that he just doesn't see?	Tomorrow is never what it's supposed to be.
How many roads must a man walk down	The answer is blowin' in the wind	The answer, my friend, is blowin' in the wind	If you want to keep your memories,
Before you call him a man?	Yes, and how many years can a mountain exist	The answer is blowin' in the wind	You first have to live them.
How many seas must a white dove sail	Before it's washed to the sea?	Yes, and	All I can do is be me, whoever that is.
Before she sleeps in the sand?	Yes, and how many years can some people exist
