

	With every Christmas Card I write		
Just like the ones I used to know		Jolly Xmas	
	I'm dreaming of a White Christmas		Merry Christmas
I'm dreaming of a White Christmas		And may all your Christ-mases be white	
BING CROSBY	To hear sleigh bells in the snow		Happy Holidays
		May your days be Merry and Bright	
	Where the treetops glisten and children listen		Season Greetings
